The Golf Course at Sung Nam Korea is awesome! The food is a bit expensive but that's pretty normal for a golf course.

ACS Concerns remote site; do not have ACS

Overall Comment

We are a remote site and rely on transportation to CP Yongsan for the majority of your programs. Unfortunately that means multiple layers of public transportation and an additional hour due to poorly scheduled buses and more increasingly failure of the buses to even arrive. The bands you send us are appreciated, but the rest of your programs may as well not exist.

the defac food is terrible on camp colburn, they is not a varity of food to choose from and not many fruits to choose from, it is the worst defac i have ever been in, myself and many other soilders eat at the eatery instead of the defac and thats bad being that the money comes out of our pockets.
